Factory Tours and Bespoke Training

If you and your team are interested in spending some time with our team discussing our natural stones and production process in more depth, along with the chance to try your hand at some hand carving with one of our skilled stonemasons then why not book one of our factory tours for your team.

These tours can be tailored to suit your requirements, and can take anywhere from an hour up to half a day depending on what you would like to include. We've outlined a selection of the most popular topics we can cover during these sessions below:

- Guided Factory and Showroom Walk Around
- Stone Formation and Natural Features/Variations
- Measuring, Detailing and Templating Natural Stone
- The Natural Stone Production Process
- Repairing, Cleaning and Aftercare
- Hands On Sessions including Lettering and Carving

Cumbrian Stone is based in Penrith in the heart of Cumbria, and our production facilities, offices and showroom are just a few minutes away from Junction 40 of the M6 by car. You can also reach us by train, with Penrith North Lakes train station located approximately 15 minutes away on foot, or only a couple of minutes away by taxi.

Digital CPD Training

Officially launched in January 2025, Cumbrian Stone offers a free of charge CPD style training series. This series is a nine-module digital course that is freely available to architects, designers and anybody else with an interest in natural stone.

This course has been designed to give an insight into working with natural stone, covering everything from the initial measuring and scheduling process through to the production process, technical data and material testing and the main safety considerations associated with designing and installing natural stone components.

The easiest way to access our digital CPD series is via our website using the below URL:

<https://cumbrianstone.co.uk/professional-services/>

This link gives free access to all nine modules. These can be taken in any order and at any time to suit your needs. We believe this offers the best flexibility for you and your team.

How to Book/Sign Up

Our digital CPD can be accessed free of charge online, so you don't need to book ahead or sign up for this.

Our factory tours can be booked by contacting our team at sales@cumbrianstone.co.uk with your details, preferred dates and requirements. These are always popular, and are booked on a first come, first served basis with limited availability across the year, so booking well ahead is always advised.
