Memorials and Name Stones

Sourced from Cumbrian Stone Ltd

Memorial Masons

Hand Crafted Natural Stone Memorials

Stone Types Available

Our recommended sandstones for memorials and lettering/name stones are:

Longridge Sandstone
Wattscliffe Sandstone
St Bees Sandstone

Our other natural stones are available for memorials and carvings however these stones may not yield the same finished appearance as our recommended stones due to their natural variations, composition and inclusions / consistency.

Bespoke Sizes

All of our memorial and name stones are cut to order to suit your requirements. Whilst we are selective on what is and isn't classified as memorial grade stone, please note that larger pieces may include more variation/inclusions compared to small stones as it is more difficult to avoid these.

Lead Times

Due to the selective nature of our memorial grade screening process, our lead times on memorials can be a lot longer than standard orders.

It is often possible to accelerate this process by permitting more variations and inclusions within the stone.

Please note that printed colours may vary from printer to printer therefore the images contained within this datasheet are for reference purposes only. We would always recommend obtaining a physical sample for colour matching purposes. Large display panels of all of our materials available to view at our Penrith showroom, and we are happy to supply a sample of any of our products on request and at the point of order.

The variations shown are indicative of the features that can be found within this material/product. It is not possible to guarantee that any of the features shown will be present in any given stone, nor is it possible to guarantee the exclusion of any of these features. More information on the variations and range of inclusions commonly found within this product can be found at www.cumbrianstone.co.uk
